The Utah USAFA Parents Club is a not-for-profit organization made-up of families of USAF Academy cadets. As a member of the Parents Club, you can expect the following:

- Annual summer picnic for all service academy families within Utah
- Local tailgates for service academy football games
- Invitations and logistical costs for Annual Utah Military ball
- Access to club Facebook page with links to other USAFA groups
- Birthday and other supportive cards to cadets throughout year
- Christmas treats for cadets
- Embroidered athletic bag for graduating seniors
- Networking/idea sharing with other USAFA parents

Your membership helps to cover the costs of cards, gifts, and postage, as well as supplies for the picnics, events, and other activities.
